

Saint Philip Neri

CATHOLIC ELEMENTARY SCHOOL

**2009 Summer Enrichment Programs
June 15 through July 3**

Limited Number of Students. First Come, First Served!

Welcome to SPN Summer Fun! 3 Weeks of creative enrichment programs in a safe and caring environment. \$300 Per Session for 3 Full Weeks (Monday through Friday). Participants must attend all 3 weeks. Limited class size. SPN Students will have priority in registration. Sign-up today!

Cooking With Ms. Croft (8:30 a.m. -12:00 noon)

Students entering grades 1 or 2

Students will learn about cooking and nutrition through art and literature. Students will create their own cookbooks!

Instructor: Ms. Gina Croft

Summer Creativity with Famous Artists (8:30 a.m. -12:00 noon)

Students entering grades 3 or 4

We will study the achievements and talents of 15 famous artists. We will then do art activities that are related to these artists and their artwork.

Instructor: Ms. Therese Fenzl & Mrs. Louise Freeman

Theater (8:30 a.m. -12:00 noon)

Students entering grades 4, 5, 6, 7, or 8

Do you like to sing, dance, and act? Are you interested in learning about costume and set design? Want to have a great time with your friends and meet new ones? Come join us for drama camp! Explore your creativity, work together as a team, learn about the dramatic arts, discover hidden talents, and have fun performing!

Instructor: Ms. Amiee Peri

Life Cycles and Ecosystems Around Us (8:30 a.m. -12:00 noon)

Students entering grades 5 or 6

Students over the three weeks would study both terrestrial and aquatic habitats with a focus on life cycles, adaption and more. The school lab would be the venue for building and studying aquariums and terrariums (and life cycles and habitats) and the SPN garden would be a real life laboratory for doing actual field studies. There will be an integration of a service learning project, either a local creek to study and clean up...to complement the terrestrial garden angle, or the estuary or the Alameda beach for aquatic field studies.

Instructor: Mrs. Chris Bertko & Ms. Brooke Turner

Art Activities From Around the World (8:30 a.m. -12:00 noon)

Students entering grades 6, 7 or 8

Children will explore a variety of cultures through art/craft projects. Students will learn elements and principles of design.
Instructor: Mrs. Julie Nakamura

Dance, Dance, Dance (8:30 a.m. -12:00 noon)

Students entering grades 6, 7, or 8

Join us this summer at St Philip Neri and learn how to Salsa, Tango, Merengue, Rumba and Boogie. There will be fun rhythmic warm ups to Everybody Dance Now! Come and be inspired by students who compete in New York! It will be a chance for you to perform in front of an audience! AN EXCITING EXPERIENCE FOR BOYS AND GIRLS!!!!

Instructor: Ms. Tajma Evans

Lights! Camera! Action! (8:30 a.m. -12:00 noon)

Students entering grades 7 or 8

Are you into music, or maybe movies? Here is your chance to make your own documentary while learning how to use a video camera, edit using new to the market editing technology, while using your favorite music or even creating you own. See you at the movies!

Instructor: Mr. Michael D'Ambrosio

Lights! Camera! Action! (12:30 p.m. - 4:00 p.m.)

Students entering grades 7 or 8

Are you into music, or maybe movies? Here is your chance to make your own documentary while learning how to use a video camera, edit using new to the market editing technology, while using your favorite music or even creating you own. See you at the movies!

Instructor: Mr. Michael D'Ambrosio

The Math and Science of Rube Goldberg Machines. (8:30 a.m. -12:00 noon)

Students entering grades 7 or 8

Rube Goldberg Machines are complex devices that perform simple tasks in indirect, convoluted ways. They obey a myriad of mechanical and mathematical principles. The class would consist of three components: theory; simulations; construction. In the last component, construction, students will be expected to construct a fully functioning Rube-Goldberg machine which actually completes a simple task.

Instructor: Mr. Carlos Trujillo
