

The Scoop from PTG

April 20, 2010

Dear SPN families,

We are winding down to the last few months of the school year—and we have lots of activities still to come!

Garden plans are underway. Work parties will be organized for the last Sunday of the month—all are welcome to help. We have a great vision for community use and enjoyment of the garden.

All classes did a great job with the Young Authors Fair—all submissions are complete.

Plans for the Spring Fling are being finalized. This event will become an annual event for alumni and current families to connect and share fond memories. This year will commemorate the school's 50th anniversary.

Mark your calendars for May 13th. This will be a fun-filled evening combining Celebration of the Arts (formerly Art de Young), VIP day, and our annual spring concert. Watch for more details soon.

Please consider joining the PTG Board as an officer. Our Parliamentarian, Cheryl Hungerford, will be assembling a slate of officers.

If you still need hours, please contact our volunteer chair, Marcy Ramsey.

Also, remember that all are invited to attend the monthly PTG Board meeting. The next meeting is Monday, May 3 at 7:00 P.M. in the Annex. Babysitting is available.

Questions/Comments? Contact PTG Co-Presidents Toinette Carter (toinettecarter@hotmail.com) or Sheri McMurray (robert.mcmurray@nasa.gov).
