

St. Philip Neri Catholic School

Fifth Grade Report of Progress

Student:

Teacher:

School Year: 2006-2007

ASSESSMENT RUBRIC

4 CONSISTENTLY ABOVE STANDARD	3 MEETING STANDARD	2 MAKING PROGRESS TOWARD STANDARD	1 MAKING MINIMUM PROGRESS TOWARD STANDARD	X NOT EVALUATED AT THIS TIME
-------------------------------------	-----------------------	---	---	------------------------------------

MATHEMATICS

Trimester I	I	II	III
Effort/Participation			
Knows basic math facts (+, -, x, /)			
Number Sense			
Interpret percents as part of a hundred; find decimal and percent equivalents for common fractions			
Able to use exponents and show as repeated multiplication			
Add, subtract, multiply and divide with decimals			
Demonstrate proficiency with division, including division with decimals and long division with multi-digit divisors			
Compute and perform simple multiplication and division of fractions and apply these procedures to solving problems			
Recognize place value of whole numbers through the billions and decimals through the ten-thousands place			
Algebra and Functions			
Know and use the distributive property in equations and expressions with variables			
Identify and graph ordered pairs in the four quadrants of the coordinate plane			
Understand the order of operations when solving expressions			
Measurement and Geometry			
Measure and compute the volume of solid objects			
Use formulas to compute the area and perimeter of various shapes			
Statistics, Data Analysis, and Probability			
Compute the mean, median, and mode of a set of data			
Identify ordered pairs of data from a graph			
Compute the range of a set of data
