

SUMMER ACTIVITIES!

- Read daily at your AR level for 30 minutes (mix fiction and nonfiction throughout the summer; Epic is available - see flyer!).
- Practice math facts for 10 minutes (use Xtra Math or apps like Cool Math Flash Cards).
- Play a dice or card game (Dice: Yahtzee, Farkle, Shut the Box; Cards: 21, Nifty 50), and for reference, I added "how to play" links on Clever for Nifty 50 and Farkle.
- Use a fun math app like Splash Math, Math Balance, Monster Math, Second Grade Learning Games for 10 minutes.
- Write a fictional story and add illustrations using markers, colored pencils, watercolors, or other paint!
- Add a recommendation or find your next book on "Our Favorite Books" Padlet! <https://padlet.com/csuer/s9q6xk23ukv3829s>
- Use Seesaw to write a paragraph or two to share about a fun activity that you did - you can even include a picture or drawing! I'll add it to the blog! :)
- Explore the ReadWorks library and read an article that interests you.
- Watch BrainPop's Movie of the Week.

epic!
